Dear Sir:

REL: WILLOW CREEK DISTRIBUTION

I have your letter of May 18 setting out that you believe W. B. Hazelbush and Loretta Turner should be denied use of water from Willow creek on the grounds that Proof of Appropriation has not been made under their Application. Your letter is not specific enough to permit identification of the particular Application you have in mind. It appears, however, that it may be any one of the following three:

<u>Application Number</u>	<u>Name of Applicant</u>	<u>Sec. Ft.</u>	<u>Priority</u>	<u>Certificate Number</u>
8774	Pauline Turner Hazelbush	.85	3-28-21	1554
8820	Loretta Turner Tracy	.264	5-16-21	1533
8990	Pauline T. Hazelbush and Loretta T. Tracy	4	10-14-24	2351

Since, as noted above, Proof of Appropriation has been made under each of these Applications, the meaning of your letter is not clear. It appears probable that it was written under a misapprehension of conditions. If this does not give you the information desired, I shall be pleased to hear further from you.

Yours very truly,

T. H. Humpherys
STATE ENGINEER
